	System: Microsoft Forms
	Weightage for Marks: 20%
	Duration: 30 Minutes | 35 Questions
	The Participants would be sent a Microsoft form Link which would be active only for the said time.
Level 2	**Practical Scenario based test**
	Tool: Visual Studio Code
	Weightage for Marks: 40%
	No. of Questions: 3
	The participants would be given a set of scenarios which would involve developing SAPUI5 applications.
Elimination	There would be elimination after the 2nd Round. Criteria for elimination: A participant must obtain 65% in each level to get shortlisted for the following levels
Level- 3	**Technical Interview**
	Weightage for marks: 40%

- **Level 1:** Will be conducted on 4th August 2021 from 3:00 PM to 3:35 PM.
- **Level 2:** The questions for the Practical Scenario Based Test (Level-2) will be shared with the participants of the certification program in the afternoon of 6th August 2021 (Friday) by 3:00 PM. The tasks must be completed and submitted back to the Trainer (Manjunatha K) by 3 PM of 9th August 2021 (Monday).
- **Level 3:** Dates for Level 3 will be announced later, and meeting invites will be sent before 48 Hours of the Panel Interview.

Failure in adherence to the above will result in elimination from the certification.

Please make sure the VS Code development setup is ready for scenario-based test.
